ABOUT ME

Architect Muhamed Fouad

was born in 1988. He was a lover of the world of design and architecture until he decided to study architecture to enrich this passion with academic study. He joined the Faculty of Engineering until he graduated from the Department of Architecture in 2010.

Architect Muhamed Fouad

started his career at Arab Contractors where he worked for six years implementing and managing a variety of large projects. However, his passion for interior design and decoration continued to grow, which prompted him to develop his skills by obtaining specialized courses in this field.

In 2018, Architect Muhamed Fouad

decided to unleash his talent, so he founded his own company specializing in interior design and decoration. He obtained several accredited certificates from the Technological Institute for Construction Engineering and Management, which adds to his

ABOUT US

At **Muhammed Fouad Interior** we believe that every space has the potential to tell a story. With a deep passion for creativity and an eye for detail, We specialize in transforming houses into homes and commercial spaces into inspiring environments.

With years of experience in the field, **Muhammed Fouad** has mastered the art of blending functionality with aesthetics. Our approach is centered around understanding your vision and bringing it to life with innovative designs, harmonious colors, and carefully selected materials

We **Believe** that every space should reflect the people who live in it — their personality, lifestyle, and vision. Our **mission** is to transform your ideas into thoughtfully designed interiors that feel both beautiful and truly yours.

From carefully selected materials and finishes to colors, forms, and details, we **create** spaces where every element is chosen with purpose. We **work** closely with our clients to understand their needs and turn their vision into a space that combines comfort, functionality, and timeless aesthetics.

Our **goal** is simple: to help you create the space you have always dreamed of, with our distinctive touch and a thoughtful approach to every detail.

OUR PARTENERS

RESIDENTIAL PROJECTS

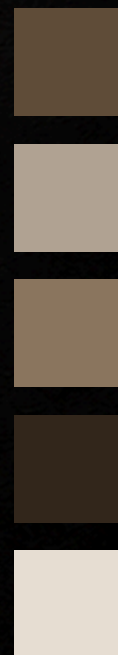

Our residential projects are **designed** to create more than just beautiful interiors — they are carefully crafted environments that feel comfortable, harmonious, and deeply personal.

We **believe** that every home should have its own character and reflect the lifestyle and personality of its residents. Our approach begins with **understanding** the client's vision and **translating** it into a cohesive design through carefully selected materials, colors, forms, textures, and finishes.

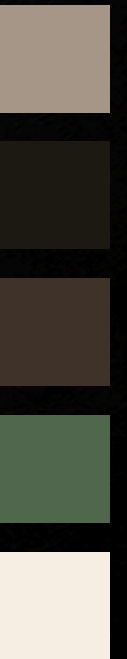

Every element is thoughtfully **considered** to create a balanced relationship between aesthetics and functionality, while adding a distinctive sense of warmth and character. From the overall composition to the smallest detail, we aim to create spaces that feel natural, refined, and inviting.

Our **goal** is to transform each residence into a unique space where beauty, comfort, and harmony come together — **creating** an atmosphere that feels truly like **home**.
